

ILL and ABSENT STUDENTS

We do realize that it is not always possible to know in advance if your student is going to be feeling ill. Please do not come or bring students to lessons if they are running a fever or ill. Thank you for this courtesy because we also do not want ill students to spread any illness to other students. You may use the Makeup Request Form if you would like to make up two missed lessons. Refer to the Private Lesson Make-Up Request Form. Studio Policies still apply.

If your student must be absent often, your lesson spot must be reassigned. You may, however, continue to pay and hold the slot for your student's return if you desire.

We wish your student a speedy recovery!
